Term Sheet/LOI Contingent Fee: The Term Sheet/LOI Contingency Fee, when applicable, provides clients with up to 2 hours of fully contingent legal time for drafting and negotiating Term Sheets and Letters of Intent, which time incurred will only be payable by client if the underlying transaction closes. The Term Sheet/LOI Contingency Fee offer applies to hourly fee arrangements when the firm is serving as your primary counsel for the underlying transaction. However, the Term Sheet/LOI Contingency Fee arrangement will not be available to clients who have not timely paid and do not timely pay all amounts owing to the firm.

Dead Deal Discount: In the event your purchase or sale transaction does not close for any reason, then except as otherwise set forth herein, the firm will discount (or credit) your legal fees otherwise owing to us with respect to such transaction by 25%. The Dead Deal Discount applies to hourly fee arrangements when the firm is serving as your primary counsel, and will not be available to clients who have not timely paid and do not timely pay all amounts owing to the firm. ALTERNATIVE BILLING ARRANGEMENTS – NNN/NN PROPERTIES

The firm offers creative and alternative billing arrangements with respect to a client's purchase and sale of a single-tenant NNN/NN property to better serve its clients. These arrangements apply to all of the real estate aspects of the underlying transaction, including drafting and reviewing the LOI, negotiating and drafting the Purchase Agreement, title and survey review, due diligence, financing, exchange documentation and closing administration and documentation.

Success/Contingent Fee Billing Arrangement: The Success/Contingent Fee Billing Arrangement protects the client from incurring significant legal fees for a transaction that does not close. Pursuant to this arrangement, which has two components and will be entered into at the sole discretion of the firm, a fixed fee will be collected at the onset of the representation and shall be deemed earned. The balance of the legal fees with respect to the representation will be in the form of a success/contingent fee payment that is deemed earned subject to the underlying transaction closing.

For sales of a single-tenant NNN/NN property, the Success/Contingent Fee Billing Arrangement generally attaches to the underlying property so the client does not incur additional legal fees if the underlying property fails to close. For purchases of a single-tenant NNN/NN property, the Success/Contingent Fee Billing Arrangement will apply to the client's purchase of a second single-tenant NNN/NN property occurring promptly after the termination of the initial escrow.
